

World to Europe USB for 2 & 3-pole and usb devices

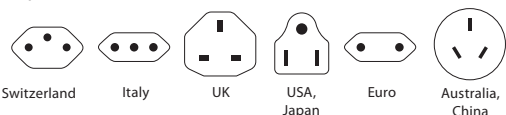

The Country Adapters USB from SKROSS are the ideal solution for travellers, who prefer a specific travel destination as well as for hotels and conference centres to provide their international guests the possibility to connect and charge their devices.

With the Country Adapter **World to Europe USB** 2- & 3-pole as well as USB devices from more than 150 countries are applicable in destinations with Schuko standard – mainly in Europe. It safely supports even power-hungry devices like laptop and hairdryer.
