

# PRO World

## The world's first, safe and compact 3-pole adapter

The PRO – World ensures a simple and safe connection of 2- and 3-pole devices from and to more than 220 countries. The available power of up to 2500 W makes it unique in its application even for powerful devices like laptops or hairdryers.

Wherever the traveller comes from, the World Adapter PRO – World provides the safest solution of plugging in devices around the world.
