

PRO Light - World

more compact: the smallest 3-pole world travel adapter

The PRO Light - World ensures simple and safe connection of 2 and 3-pole devices from and to more than 200 countries. The available power of up to 1575W makes it unique in its application even with powerful devices like laptops or hairdryers. Wherever the traveller comes from, the World Adapter PRO Light - World provides the safest solution of plugging in devices around the world.
