

PRO Light – World

more compact: the smallest
3-pole world travel adapter

The PRO Light – World ensures a simple and safe connection of 2- and 3-pole devices from and to more than 200 countries. The available power of up to 1575 W makes it unique in its application even with powerful devices like laptops or hair-dryers. Wherever the traveller comes from, the World Adapter PRO Light – World provides the safest solution of plugging in devices around the world.
