

Baby Juicebar Pocket Solar iPhone / iPod Charger

Small but effective and a great price!

The Baby Juicebar Pocket Solar iPhone / iPod Charger is perfect for topping up an iPhone / iPod when that battery is low.

The charger can be charged by the sunlight or using the existing iPhone / iPod charger.

When connected to the iPhone, you can get upto 4 hours of talktime and 17 hours of music.

This pocket wonder works with all current iPhones and iPods including the latest iPhone 3Gs and new iPod nanos.

phone not included
