

## **RockPod - Single Pocket Speaker**

Presenting the RockPod, music on the move.

This stylish and funky speaker is small enough to take anywhere, but big enough to power your music whenever and wherever you want.

Armed with its in-built amplifier and the signature bass expansion system, the sound quality of this powerful 3 watt speaker will astound you.

Compatible with any device with a 3.5mm audio socket, with it's high capacity Lithium Ion battery, you'll run out of energy before the RockPod does!! Then simply recharge from a USB socket and you're ready to Rock all over again.
