

World Travel Adapter | 2 & USB charger -USB

The combination of the SKROSS World Travel Adapter 2 with a powerful USB charger converts it into a power source to quickly charge and run your USB devices! Up to two devices can be charged in parallel with an overall current of 1000 mA. The charger module can be used independently from the adapter. It can be used with a range of devices, including: MP3 players, digital cameras, mobile phones, GPSs, PDAs, travel speakers, etc.

Max: 1300 W - 220 V, 650 W - 110 V
