

Gadget Holder

This versatile device holder can be used in all these places....

Car Dashboard
Kitchen
On the fridge

Side of your desk
Wall by your Charger
Bedside Cabinet

Many more places.....

Use around the car, work or home to place garage remotes, TV remotes, anything that you want to locate and move easily.

Use on many surfaces, in fact anywhere you want for easy access to your device.

What makes Gadget Holder unique...

- Designed not to drain your battery or affect the signal of mobile phones and Sat Navs.
- Very easy and quick to install and can be removed by applying gentle thumb pressure upwards.
- Discrete holder which does not leave marks.
- Keeps your device in view, making it easy to find.
- Allows you to speak on your phone hands free.
- Cost effective & great gift idea.
- Can be mounted to most surfaces with quality 3M adhesive.
- Easy to take your sat nav off and hide it to avoid any car crime.
- Holds device securely.
- Withstands changes in temperatures.
- For any handheld device not just your mobile phone
